HELLO AND WELCOME TO THE FIRST EDITION OF THE SHERBURN INFORMER

Each issue of your community newsletter will feature a "What's On" guide to local events, a report from the Parish Council, your Village Noticeboard with news and information and contributions from local clubs, groups, charities and organisations, keeping you up-to-date and celebrating everything good in Sherburn in Elmet.

We hope to reach as many residents as possible and you will find each edition on-line at: sherburninemet.co.uk or on the Parish Council website at: sherburninemet-pc.gov.uk Printed copies will be available at Sherburn Community Library, The Old Girls School, Eversley Park, Lady Popplewell Centre, Harold Mills Centre, Sherburn G.P Surgery and Finkle Hill Dentists. If you find that you are still not able to access a copy, please get in touch and we will do all that we can to help.

Thank you to all those who have kindly contributed to this issue and don't forget to keep sending us your information and news for inclusion in future issues, it is really great to hear from you and to be able to pass on your good news. For information, to respond to any article or have something included, please contact the editor: Anne-Marie Oldroyd on 07410453584 or by e-mail at : anne-marie.oldroyd@sietc.uk Hope you enjoy this issue

Anne-Marie

Sherburn Community Informer is kindly funded by Sherburn in Elmet Parish Council.

Sherburn Rugby Club Regeneration Project

An Invitation for Community Groups and Clubs who may be interested in using this facility to attend an information event at the Eversley Park Centre

6.30pm Tuesday 16th April 2019.

We are in the process of securing funding to upgrade the current facilities and extend the clubhouse on Eversley Park to make playing at Sherburn, as good an experience as possible. In addition to refurbished team changing and shower areas, we will have a new extension with kitchen, separate changing areas for match day officials and a disabled toilet. The Rugby League are also showing interest themselves as they have grants available for grass roots Rugby, which may lead to us being able to also add a floor to the extension which will then allow us to accommodate separate Female and Juniors changing areas whilst being able to retain a gymnasium.

This investment in the village can form part of a broader community sporting facility which we would like to open up to more users. We have already approached local cycling and running clubs and we would like to welcome any other groups that may be interested in using this facility.

Sherburn in Elmet Parish Council

Peter Pan Nursery are currently looking to recruit volunteers to help support our qualified and experienced staff with the care of our children in the nursery. Training will be provided and you will be required to complete a DBS. If you would like to find out more please contact Melanie on 01977 681863.

Peter Pan Nursery has a charity shop situated behind Moorhouse Opticians, off Finkle Hill in Sherburn in Elmet. Our shop is run entirely by volunteers and all of the profits raised go to support the nursery. We are always looking to recruit volunteers to help in our charity shop, so if you would like to find out further information regarding this, please call Kay on 01977 681863.

As a small, independent charity, we do struggle to obtain funds for daily running costs so we greatly appreciate any donations we receive. Could your place of employment select us as their ‘charity of the year’ or hold fundraisers for

us, such as ‘dress down Fridays’ or bake sales etc.? Huge thanks to the following local businesses and groups who have supported us so far in 2019 – Scarthingwell Golf Club, - Optare, Eggborough Spar & Chip Shop, Louise Gomerson & Colleagues at Network Rail, LNER & Northern Rail, Roy Gomerson, Jason Chalkley & Ex-Members of Selby Railway Sports & Social Club (Golf Section), Elmet Lions Oz Taxis. Also thanks so much to all those who have supported us in the past.

For further information about our special nursery, please contact Kay or Melanie on 01977 681863 or email: office@peterpannursery.co.uk www.peterpannursery.co.uk

Parish Council Report

Sherburn Informer

It's a pleasure (and a relief) to be able to write this Report for the Informer. For a while it looked like we might lose our community newsletter and at a time when there is so much happening in Sherburn that would have been seriously bad news. The Community Informer had been run for years by a small (very small!) team at the Community Association, but that couldn't continue (to use modern jargon it wasn't sustainable).

The Parish Council have worked closely with the Community Trust to find a solution and the Community Informer is reborn as the Sherburn Informer. Our population is growing and we need to keep in touch with residents so they know about everything that's happening in Sherburn.

Welcome To Sherburn

The Parish Council and Community Trust are also cooperating to produce a Welcome to Sherburn booklet which will be distributed to every house in Sherburn; this will be an invaluable reference source on the many different facilities, resources, events, clubs and societies we have.

Planning/Development

There is a lot of building work in Sherburn. Work continues on the Redrow/Persimmon site off Low Street and activity has recently begun on the Hodgson's Lane site on the northeast side of Sherburn. Some disruption is inevitable, but it's perhaps worth stating that the acceptable operating hours for noise generating work on the construction sites are 08:00-18:00hrs Monday to Friday, 08:00 to 13:00hrs on Saturday, and not at all on Sundays and Bank Holidays.

If there is a problem you can report it to the site manager, but please also let the Parish Council know (details below). That way we get the full picture and can respond accordingly if a contractor claims something is an isolated incident and we know it isn't. We will liaise with Planning Enforcement at Selby District Council - they are the people with enforcement powers.

Sherburn 2

Work has now begun on Sherburn2, the extension to the industrial park and the planning application to build industrial units on the former Gascoigne Wood site is currently awaiting a decision.

Smoke Free Places

We have also applied for and received a grant to help us keep our children's playgrounds as smoke free places. A competition is being run with local schools to design signage which will ensure that everyone gets the message that this is a No Smoking area.

New "Pocket Park"

We have also received a grant to refurbish the Memorial Garden next door to the library. This area has become run down, but could be a lovely "pocket park" close to the centre of Sherburn and the shops.

Rugby Club Refurbishment

We are also working with the Sherburn Bears rugby club to refurbish the club house at Eversley Park. At the time of writing we are awaiting a visit from the Rugby League and hope to have their support in providing an ambitious upgrade to allow the club to flourish.

Sports Hall Rebuild

Staying with sport, the Parish Council are paying for a feasibility study which is needed if the funding is going to be available to rebuild the sports hall at the High School with a more extensive upgrade. The double benefit there is that it could be used by the community and it would also mean it could be used for a wider range of sports.

Parish/District Elections

Finally 2nd May is the date for both Parish and District Council elections. If you are interested in standing then please contact the Clerk, Nicola Smith at the Parish Council office and she will be happy to provide information on what is involved. Parish Councillors do not get paid for their time, but we are always keen to hear from people who are interested in becoming involved.

More generally we welcome new ideas or concerns. Please call into the Parish Council office (at the Eversley Park Centre), telephone (01977) 684666 or email us: clerk@sherburnnelmet-pc.gov.uk.

Website <http://sherburnnelmet-pc.gov.uk/>

Opening hours Eversley Park Centre
Monday to Thursday 10am to 4pm,
Friday 1pm to 4pm.

Sherburn High School News

This half term has been an action-packed one as our Year 10, 11, 12 and 13 students have been sitting mock exams in preparation of their finals in May and June. Much hard work from both students and staff is going into revision and marking, fingers crossed it will pay-off. As always, we have been busy raising funds for one of our house charities and this term it was the turn of Bramham house to raise money for the Yorkshire Air Ambulance, we are hoping to achieve £1000 but money is still rolling in. Two of our Sixth Form students have taken up the challenge of walking the Yorkshire Three Peaks in July and have set up a Just Giving page as they are raising money for the British Red Cross, if you would like to support their cause please use the following link <https://www.justgiving.com/fundraising/phoebeleeshay3p>.

We welcomed Year 5 students into school recently to take part in solving the case of the missing Sherbies! They had to investigate staff members through the use of forensics in science and clues in other departments, hopefully they had a great day with us. In other news we've had a flying student, success at netball, football and basketball, a parliament workshop and finally, a select group of Year 10 students are involved in the Green Apples project, sampling university life by visiting higher education centres and taking part in aspiration raising activities. They are all relishing the thought of becoming undergraduates!

News from your U3A

Where else can you take a trip to Burton Agnes with your camera on Monday, play Mah Jongg with your pals on Tuesday, take a walk with the dog on Wednesday, play badminton on Thursday, learn all about designing a website on Friday, come out to dinner with us on Saturday and visit the local garden centre for lunch on Sunday? And that's just a quick sample of the 21 group meetings and activities that were going on in a typical week at Sherburn & Villages U3A.

We welcome new members to come and see what we get up to and try out our activities for themselves. So just who can come and join us? Our membership is made up of people from every walk of life who are no longer working full time or have less family responsibilities and are now able to pursue hobbies and activities they may not have had time for previously. Generally our members tend to be over 50 but there's no age limit at all.

This winter we have continued to grow and we're delighted that our membership is now well over the 600 mark, drawn we believe by our friendly inclusive activity and interest groups. At the heart of the U3A is sharing skills and knowledge and the breadth of experiences brought by our members means we have groups led by members learning pottery, taking adventures in the countryside with a qualified instructor, improving their languages and enjoying painting and craft skills but there are also a host of other fun activities too - come with us on days out, theatre trips, short breaks and visits in the UK and Europe.

As a charity we keep costs down so that everyone can take advantage of our offering and we hope participate and bring their own skills and experiences along as well.

You can find out all about us and what we get up to on our website: www.sherburnu3a.org Or you can come along to one of our monthly meetings which all members and visitors are welcome to attend and you can meet us with no commitment. Our monthly meetings are held at the Eversley Park Centre in Sherburn at 2pm. See your "What's On" Guide on page 3 of this issue for details of what's happening at our meetings in April and May - cost is just £2 including refreshments.

We look forward to welcoming you!

Village Notice Board

Sherburn Methodist Church are very pleased to announce that from the 1st March 2019, they welcomed a new Minister, Rev C Gillespie.

May 2019 Train Timetable Changes: Northern Rail plan to introduce an hourly service on Sundays between Leeds and Selby, this stopping service will call at South Milford. They also intend to run an additional Monday to Saturday service between Sheffield and York which will be useful for Sherburn rail users. (update courtesy of SADRUG)

Sherburn Rugby Club Regeneration Project would like to welcome any other clubs or groups that may be interested in using this facility, to join us at our information event at the Eversley Park Centre at 6.30pm Tuesday 16th April 2019. Come along and have your say.

Sherburn Community Gymnastics Club were recently awarded almost £1000 towards safety matting. Does your Charity or Organisation require funding? Why not contact Selby District Council's Western Community Engagement Forum (CEF) (www.selby.gov.uk) which may provide funding for eligible activities.

"SPACE CHASE"
In the next issue

Sherburn in Elmet Local History Society - The Society has been running continuously since 1974. New members are always welcome. We currently meet in Sherburn All Saints Church Hall on the third Tuesday of each month from October to April. During the summer months we visit places of historical local interest which includes a day coach outing usually in June. We are happy to welcome visitors at any of our meetings for a small charge (usually £3) on the door. **Our current programme includes** "The History of Wentworth Woodhouse" with Trevor Moody on 16 April.

Sherburn Boghoppers & Hiking Club – The Walking Club has been running continuously since 1976. We walk every three weeks on a Sunday from the date of the first walk in the year, In 2019 this was 13 January. We travel by coach departing from Sherburn at 8.30 a.m. and have other pick up points dependent upon the route taken to the destination. New members are always welcome. Full details of the forthcoming walks are on the website www.sherburnboghoppers.com. Further information can be obtained from the Secretary jeanelmet98@gmail.com or 01977 683749/07967 640383

Sherburn Guides

Do you know that there is an active Guide group in Sherburn with spaces for new members? There's an exciting new programme of activities based around six themes: Know myself, Express myself, Be well, Have adventure, Take action and Skills for my future.

With a great mixture of activities that are very different from school and give girls a chance to grow, thrive, and **have fun** in a girls-only environment.

We offer trips out locally, nationally and outdoor and indoor camps and holidays. In 2019 we'll be going to our very own festival weekend 'Wellies and Wristbands'. Find out more by e mailing us at : sherburnguides@gmail.com or calling on 07580 209109

Funding News

After the excesses of the Christmas period, many of us are now trying to get active again. To ensure our young people have an opportunity to take part, we at the **Kingspan Insulation Community Trust** have been providing funding to local sports projects, helping them to purchase the equipment they need.

The Trust provides new grants every year to projects which meet one of the four objectives: conservation, encouraging biodiversity, health and fitness of young people and road safety. To apply you simply need to live within the parish of Sherburn-in-Elmet. This year's deadline for funding submissions is fast approaching (31st March) so its time to get going with your application. Everything you need to apply can be accessed on our website including application forms and past case studies: <http://www.kingspaninsulationcommunitytrust.org/>

Methodist Church

Church open every Sunday, service starts at 10.45am. We are having a Jumbo Coffee Morning on Saturday 30th March from 10am to 12.30 which will include a raffle, tombola, cake stall and bacon butties. Easter Sunday there will be an 8am Communion service and a 10.45am service

Roman Catholic Church

Sunday Mass is at 9am which is followed by tea/coffee and a chat, everyone welcome. We are located in Church View (behind the Elmete Social Club)

All Saints Church

Parish Eucharist every second and fourth Sunday at 10.45am for 1 hour. Church Hill, Sherburn

Last but by no means least—a very big thank you for the wonderful legacy provided by Karen Packham, (the editor for over 7 years of the previous Community Informer) and the Community Association, without whom, this new publication would not have been possible .

THANK YOU
